

Contractors Pollution Liability powered by Fast Track

Our Contractors Pollution Liability Policy is now available online through the Westchester FastTrack Portal. We have invested in a sophisticated underwriting platform that offers brokers streamlined solutions for quoting, binding and issuing pollution policies for non-environmental contractors. It is still backed by Westchester's financial stability and a team of superior underwriters; this product offering provides a broad coverage form to support the small business marketplace.

Preferred Risks

- Non-Environmental Contractors (General, trade or specialty contractors)

Key Policy Features

- Project-Specific or Whole Practice Policy options available
- Coverage is provided for emergency response expense, including expenses incurred by the Insured's employees
- Coverage is provided for pollution at a non-owned property used to store equipment during a project
- Coverage is provided for contingent transportation of the Insured's waste hauled by a third-party carrier
- Coverage provided for work performed by or on behalf of the named insured, including the insured's liability for work performed by subcontractors

Why Westchester

- 24/7 Access
- Competitive Terms & Conditions
- Competitive Rating
- Potential for Enhanced Commission
- System Generated Pre-Filled Application
- Quote up to 3 limit or deductible options at once

Additional Facts
