TANKSAFE®

COMMERCIAL STORAGE TANK COVERAGE

It's End-to-End Solutions, Delivered Efficiently

TankSafe is a fully-automated internet based system that provides commercial underground and aboveground storage tank insurance. From submission through policy and certificate insurance, TankSafe has been designed to make an otherwise complicated process user-friendly and efficient.

Coverage Highlights

- \$350 Minimum Premium
- Limits from \$500K/\$1M to \$5M/\$5M
- Third-party bodily injury and property damage claims resulting from incidents involving scheduled storage tanks
- Corrective action costs resulting from storage tank incidents involving scheduled storage tanks
- Policy/Certificate satisfies federal and state requirements for financial responsibility (where applicable)
- Written on admitted basis.
- Standard coverage terms and conditions:
 - Deductible –based cover
 - Enhanced Extended Reporting Period terms
 - Dedicated Legal Defense Limits

Featured Benefits

- TankSafe is now accessible through FastTrack
- Tank location mapping powered by Google Maps®
- Streamlined workflow and enhanced portal design
- Quote up to three deductible options at one time
- Upload storage tank information via spreadsheet to review all data in one centralized location

Preferred Risks

- Airports
- Auto Dealerships
- Commercial/Industrial Facilities (i.e. Service Stations, Convenience Stores)
- Marinas
- Municipalities
- Hospitals
- Schools, Colleges, Universities

Restricted Classes

Underground Storage Tanks (USTs) and Aboveground Storage Tanks (ASTs) older than 30 years (25 years in Connecticut) and ASTs with capacities greater than 49,999 gallons are ineligible for the web-based system. Please contact your regional Westchester Underwriter for assistance with risks which fall outside the systems parameters.
