

DIGITAL Grocery/Convenience Store

Westchester Digital offers a streamlined approach to protecting grocery and convenience store risks through flexible package and monoline coverage options. Our General Liability and Property solutions cater to locations with total insured values up to \$2,500,000 and up to \$3,000,000 in annual sales. By providing access to critical enhancements such as pumps and canopy coverage, we ensure brokers have the tools to secure comprehensive protection for their clients efficiently.
